RPEECH OF MISSOURI, and call order in the House

In the U.S. House of Representatives, ion of personal privilege.

Mr. BLAND. I claim my person all privilege. It have the floor, and do not desire to be firsther interrupt as most are platform to day.

Mr. BLAND. Mr. Chvirman, I bope in the few remarks that I shall now make I will not be interrupted, for it is not my purpose to detain. for it is not my purpose to detain platform it declared the 5-20 bonds ago it was a platform that promised the committee but a few moments to be payable in lawful moment, and one money to the bondholder and the Since this Government began the Democratic party has had its exist ence as an organization and as a party in this country, and it has seemed to me the special mission of every name as the special mission of every name as the special mission of every name as the special mission of the parable in lawful money, and the platform of the whipped the boy until he nearly fainted. They walked on to Richmond, begging as they went, the special mission of every name and loaned out to States and countries and loaned out to States and countries and loaned out to States and countries and school districts to pay to make aim walk on the whipped the boy until he nearly plow holder. The platform of the whipped the boy until he nearly plant to make a party of the whipped the boy until he nearly plow holder. They walked on to Richmond, begging as they went, the sounding this matter, but my in formation is that these 5-20 bonds, and he countries and loaned out to States and and new party which springs up from or a portion of them, in 1874 and off their debts, and be made a legal place he took another little boy names accompanied by a good deal of light-tender.

| Place he took another little boy names accompanied by a good deal of light-tender. time to time in this country to make bitter and violent attacks upon the Democratic party. They time to last, and be made a legal tender.

The gentleman in his speech to day suppose that it is necessary to do away with this grand old party that has always attack upon in the front for Democratic party. They then the bondholder; not much. He and the bondholder; not much. He and the bondholder; not much. He and the complained by a good deal of ignitive definition to their debts, and be made a legal tender.

The gentleman in his speech to day walk over the frozen roads, and beat improve the bondholder and they complained. They had reached they complained. They had reached of the bondholder; not much. He and they complained by a good deal of ignitive definition to the land of Mr. George Creasey. From their several positions one would have thought that two of the others were in more, and the third has always stood up in the front for the rights of the people of this whole country, not only in innances, but in civil liberty and for all the rights of the people of the whole country, not only in innances, but in civil liberty and for all the rights of the people of this whole country, not only in innances, but in country, not only the people, and that that old party why there should be any declaration his flat money, who is to take it? to his mother, and have her raise descended upon them, and, while the

must be supplanted before any of concorning them. They were not The bomiholder? No, sir. these new growth of parties can sure in existence. I believe the gentleman made a those new-growth of parties can sur vive. The gentleman from Iowa charges his speech in this House to-day has not only reiterated what I suppose abandoned the piatform of 1868.

I believe the gentleman made a speech in Indianapolis, in which he said to the bondholder, "Back up not only reiterated what I suppose abandoned the piatform of 1868.

I believe the gentleman made a speech in Indianapolis, in which he said to the bondholder, "Back up not only reiterated what I suppose abandoned the piatform of 1868.

Three Finnets Now Ref. re the bave regained all of his strength, but o be some of his campaign speeches Yet his own speeches show he has I suppose he would say to the plowduring the last canvass, but has car- abandoned that platform. He gave holder, "Roll up your wheelbarrow ried out exactly what I supposed be as an excuse at the last session of and take away your flat money. would carry out from his speeches during that canvass, and he has the law of 1800 had changed the con plusion of his platform and all his shown the saimus which then inspire trast, and the funded bonds of 1870 principles. His platform and his ed him in attacking the Democratic were coin bonds. If he had looked speech to day is in favor of paying party, the only friend he has here at the record of that legislation he the bonds of the Government princi upon this floor to stand by him. would have found that a democratic pal and interest, in coin. What, then [Laughter on the Republican side] Senator in the Senator of the United is he to do with his flat money? Now, Mr. Chairman, during the last endeavoyed to locorporate late that Who is to take it? The pensioner session of Congress the gentleman law the power to tax those bonds, and the plaw holder introduced certain resolutions here, and his proposition was voted down. Here is a system of finance that he purport of which was against the by a republican Senate. And yet the the republican party has adhered to founding of this debt beyond the gentleman charges the democratic until it resumes specie payments. power of the Government to pay or party was not in favor of taxing He wants to go back and take that at any time to pay the debt in filver, these honds. That peoposition was same old system, a system that he and a proposition that he sustained when he in a speech and on the call of the roll the honds were issued under the law, was a republican, and which he holds

The gentleman may deny it. but he knows what is matter of pub lic history, and that men high in the eaucus of his own party charged him with this conduct in the can-

What did the gentleman do after he was nominated? The first State went into was Alabama; and while the Record shows that every Democrat from that State who voted on this proposition voted with him, he went down there to defeat the very men who upheld him here. Then he went to Arkonsas to do the same thing there, and his whole canvass seemed to have been conducted with view to defeat the men who stood him on these propositions, and o elect men who voted against him

and his propositions.
Mr. CONGER. Did he stay there [Laughter.] ong?

Mr. BLAND. I am glad the gentleman has suggested that. There seems to be a sort of harmony between the gentleman representing the reenback party and the Republicane in all these questions. He stayed there till near the election. Then he went up in West Virginia, and he claimed there the Greenbook party was going to carry Alabama. But the Associated Press sent out dis patches that the gentleman from lows denounced the people of that BRUJ. F. GRAFTON, STORY B. LADD, State as being bull dezers, and had said the Republicans had not told half the truth concerning them. Senator Conkling, in making a speech to New York denouncing the Democratic party, adduced these dispatch es and put Mr. Weaver on the stand to prove these men were buil dozers So that I say his whole campaign, from beginning to end, corresponds with his speech here in the interest propriations. By the comomy forced of the party that has conducted this upon a republican administration we 412 Firm Sr., Washington, D. C.
